

Infant News

Staff Development Day

The **Infant School** has a staff development day on Friday 23rd July so the school is closed to the children.

The Junior School will be open for children as normal.

Please remember there will be no Breakfast Club.

Summer Trips

The summer visits organised by Medway Extended Schools Service are now full.

It has been an amazing uptake and we hope you have a fantastic day with your family.

Please collect your tickets from the school office.

Safety First

Please could we ask all parents to ensure their children refrain from climbing on the wall near the year 5 block.

*Soft balls are now welcome to be used at **playtime only** but please make sure you keep them in your bag at the beginning of the day. We have many families who bring younger children onto the playground before school starts and we need to make sure they remain safe too.*

A final plea re safety – it has been mentioned to us that some children have been hit by car doors being opened at the beginning and end of the day. Some people are forgetting to look before they open the doors and smaller children are being knocked by them.

Clean plastic milk bottle lids are being collected in the office for the

Oliver Fisher Special Care Baby Trust.

Summer holidays

The staff at Gordon Infants would like to wish you all a fantastic summer. We would also like to thank you all for your continued support this year.

The children return to school on **Thursday 2nd September 2010.**

Summer Fayre

A huge thank you goes out to everyone that supported our annual Summer Fayre. We made a whopping £1653.00. in just 3 hours. **Thank you very much.** Once outgoings have been taken out - eg cost of prizes, refreshments and the floats, we will have a profit of £900 to go towards the all weather surface.

The good news is we still have lots of stock for future events so the money taken from those will be pure profit!

Happy Bags

These will be collected in the playground this week on Friday 16th, please look for the table where you can place your bag. If you have misplaced your bag or need another one please use a bin liner or carrier bag.

Thank you for your support on behalf of Starfish Malawi.

Good luck to all the children in Year 2 as they begin their journey into the Juniors.

Thank you to all the children of Gordon Infants school for working so hard this year. We look forward to seeing you next year.

2012 Exhibition

This years exhibition will take place in a number of libraries throughout Medway. Our contributions will be displayed in Strood Library.

The grand opening is this Friday and you will be able to see the fantastic work of local schools, so please pop in over the summer.
